Important clarifications!

1. This exam schedule requires each class to have a final exam, major evaluation or major activity. Exceptions granted by the Principal will be announced to students. Exams are scheduled by block (period) not by department. At this moment there are no exceptions. Students are not excused from their block regardless of alternative assessments that have been assigned and approved.
2. The exam experience is a necessary and beneficial means for monitoring the attainment of course goals and objectives and measuring student progress in a course. Exam days are counted as school days. Therefore, all students are required to attend each scheduled exam or final activity. Requests to change exam periods cannot be honored.
3. Students will not be permitted in the halls until the full exam period has ended. **Students should take something to study in case the exam is finished early.**
4. Written doctor requests, funerals and other emergencies will be the only provisions made for student absence from any exam period. If an excused absence occurs, it is the student's responsibility to contact the teacher to request a make-up.
5. The full lunch program will be provided each day during the 11:07-11:53 a.m. lunch period.
6. Each student is required to remain in the building from 7:50 a.m. until 3:11 p.m. each day **unless the completed parent permission form is returned to the MAIN OFFICE BY 3:30 P.M. ON TUESDAY, JUNE 5TH**. Permission to leave will not be granted after 3:30 p.m. on the 5TH. Students with outstanding Tuesday schools or detentions will not be permitted to leave until all outstanding discipline has been served.
7. The cafeteria will be a supervised quiet study area for students who remain in the building during exam periods. Students are strongly encouraged to remain in the building to review for their next exam. The library may be open for study, which is dependent upon individual classroom use of the LIC.
