2. Student images and interviews FOR PUBLICITY PURPOSES

The Bay Village City School District often features student photos or videos for purposes of publicity that illustrate student activities. Featured stories may appear on our website, print newsletters, e-newsletters, social media, or in local print, online and television news outlets. In addition, teachers may wish to illustrate classroom activities with photos or brief video. These may be used in teacher newsletters or on the teacher's website or blog.
